### **PREPARE FOR A CAREER, NOT JUST A CERTIFICATION**

Our experienced and knowledgeable staff is dedicated to providing you with the skills to make an immediate impact at the work place. We realize that many training organizations are focused on getting you to pass a certification exam. While getting certified is important, your ability to retain and efficiently apply your newfound knowledge is invaluable in today’s competitive business environment. Going “Beyond The Boot Camp”<sup>®</sup> is what we do.

### **THE BEYOND THE BOOT CAMP DIFFERENCE**

Beyond The Boot Camp certification training programs not only provide the answers to the “what” and the “how”, but also the “why”. In our effort to create value, we offer insights into the rationale behind the body of knowledge. Our case study approach assures that students develop strong skills in applying the Service Management framework and Project Management concepts to real world situations.

### **The Value of Being Certified:**

- ☑ Enhanced competitive advantage
- ☑ Increased opportunities for career advancement
- ☑ Demonstrates growth, professional development and competence
- ☑ Increases recognition by peers, employers, and recruiters
- ☑ Sets you apart as an expert and leader in your field
